SUBJECT:

DOCKET NO. 2007-135-WS - Application of Wyboo Plantation Utilities, Incorporated for Expansion of Service Territory – Discuss this Matter with the Commission.

COMMISSION ACTION:

Counsel for the intervenors in this docket has suggested that Wyboo's Application is most accurately described as a request validating or confirming Wyboo's existing service area. I move that we grant that request, and provide clarification as to what service area this Commission has granted to Wyboo. Specifically, I move that we adopt the highlighted areas identified on the March 26, 2007, plat attached as Exhibit 3 to Wyboo's Application in this docket as substantially representing the service area that this Commission has approved for Wyboo Plantation Utilities, Inc., but that the parties be directed to provide an updated plat that corrects minor technical errors in the highlighted service territory areas within 10 days of receipt of this Commission's order. Further, I move that we cancel the currently scheduled hearing as being moot. Lastly, I move that Wyboo and Mr. Wrigley be directed to come into compliance with the Commission performance bond requirements within 30 days of receipt of this Commission's order, through either an updated personal financial statement or other bonding option allowed by this Commission's regulations.
